

Response to Schedule B, Questions 3(a) and 3(b)

Gryphon Wireless, LLC hereby notifies the Commission that the commencement date for the lease Agreement will be December 14, 2005. If however the Commission has not granted this long term de facto lease application by such date, the commencement date will be the date the FCC approves this application. The lease with respect to the license will not extend beyond: (i) the date such authorization expires by its terms; (ii) the date such application for renewal is dismissed or denied with prejudice by the FCC; or (iii) the expiration of the term or the termination of the Agreement pursuant to the early termination provisions of the Agreement ("Lease Termination Date"). The parties will notify the FCC of the actual Lease Commencement Date and Lease Termination Date once they are determined. The lease is renewable with respect to the license through October 4, 2020, subject to applicable FCC rules and necessary approvals.
